Gahanna-Jefferson Home Access Center

The Gahanna-Jefferson Public Schools uses Home Access Center (HAC) so that Parents or Guardians are able to view information regarding their student's grades, attendance, schedule, and contact information.

One username and password will be issued per household. To sign in to the Home Access Center go to: http://hac.gjps.org . You will need to enter your username and password.

Once you sign in, you will have the ability to change your password. PLEASE keep this in a safe place. If you forget your password, it will have to be re-set, which may take several days. *For security purposes, you will need to provide your building representative with proper ID in order to receive a new password.*

To receive your username and password, you must fill out the information below, and show proof of identity. If you do not receive a user name and password at the time you present this form, one will be e-mailed to you.
