"We had 540 graduates graduate with the class of 2016," Interim Superintendent Schmidt said. "We have 20 more working on finishing their degrees with courses over the summer. Through self-reporting, we've also tallied up \$10 million in scholarships awarded to these outstanding graduates."

Interim Superintendent Schmidt noted that the Welcome Center is busy with student enrollment, but kindergarten registration is currently lagging behind projections by about 100 students. He also reported that meal prices will increase by ten cents next year due to USDA regulations and calculations.

"I am also pleased to report that our teachers and staff may be off for the summer, but they have been working hard on professional development," Interim Superintendent Schmidt said.
