AUTHORIZING THE ISSUANCE OF SPECIAL OBLIGATION BONDS IN THE AMOUNT OF NOT TO EXCEED \$2 MILLION FOR THE PURPOSE OF PROVIDING FUNDS TO PAY EXPENSES ASSOCIATED WITH THE SETTLEMENT OF CLAIMS, WHETHER BY WAY OF A RESERVE OR OTHERWISE, IN THE SCHOOL DISTRICT'S INDIVIDUAL SELF-INSURANCE PROGRAM, AND TO PAY A PORTION OF THE COSTS OF MAINTAINING SUCH INDIVIDUAL SELF-INSURANCE PROGRAM AND TO PROVIDE RESERVES FOR SUCH PROGRAM; AND AUTHORIZING AND APPROVING RELATED MATTERS

(Ohio Revised Code Section 9.833(C)(9))

WHEREAS, the School District maintains an individual self-insurance program (the "Self-Insurance Program") for its officers and employees pursuant to Ohio Revised Code (the "Revised Code") Section 9.833; and

WHEREAS, the School District needs additional funds to pay expenses associated with the settlement of claims for its Self-Insurance Program and to fund additional reserves for said program; and

WHEREAS, Revised Code Section 9.833(C)(9) authorizes the School District to issue special obligation bonds that are not payable from real or personal property taxes for the purpose of providing funds (a) to pay expenses associated with the settlement of claims, whether by way of a reserve or otherwise, for its Self-Insurance Program, and (b) to pay the School District's portion of the costs of maintaining the Self-Insurance Program or to provide for the reserve funds required by Revised Code Sections 9.833(C)(1)-(2); and

WHEREAS, it is now deemed necessary to issue and sell not to exceed \$2 Million of the Bonds for the purpose described in the title of this Resolution under authority of the general laws of the State of Ohio, and in particular Revised Code Section 9.833(C)(9);

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF EDUCATION OF THE GAHANNA-JEFFERSON CITY SCHOOL DISTRICT, FRANKLIN COUNTY, OHIO THAT:

**Regular Board of Education Meeting
May 17, 2018**

Section 1. It is hereby declared necessary to issue special obligation bonds of the School District for the purpose described in the title of this Resolution in the principal sum of \$2 Million or such lesser amount as shall be determined by the Treasurer and certified to this Board, which bonds shall be designated as "Gahanna-Jefferson City School District, Franklin County, Ohio Self-Insurance Program Bonds, Series 2018 (Special Obligation – Federally Taxable)," or as otherwise designated by the Treasurer (the "Bonds"). The Bonds may be issued in one or more series.

Section 2. The Bonds shall be issued as fully registered bonds and shall be numbered as determined by the Treasurer. Unless otherwise determined by the Treasurer, the Bonds (i) shall be sold in a transaction exempt from the requirements of Rule 15c2-12 promulgated under the Securities Exchange Act of 1934, as amended, and (ii) shall be issued in minimum denominations of \$100,000 or any integral multiple of \$5,000 in excess thereof. The Bonds shall have such final terms as shall be determined by the Treasurer and set forth in the Certificate of Fiscal Officer provided for in Section 3 herein.

Section 3. The Treasurer is hereby authorized and directed to execute on behalf of the School District a Certificate of Fiscal Officer Relating to Terms of Bonds (the "Certificate of Fiscal Officer") setting forth the aggregate principal amount and the final terms of the Bonds, which aggregate principal amount and terms, subject to the limitations set forth in this Resolution, shall be as determined by the Treasurer. The Certificate of Fiscal Officer shall indicate the dated date for the Bonds, the dates on which interest on the Bonds is to be paid (the "Interest Payment Dates"), the purchase price for the Bonds (which shall be not less than 97% of the aggregate principal amount thereof), the maturity schedule for the Bonds (provided that the maximum maturity of the Bonds shall not exceed 2 years), the interest rates for the Bonds (provided that the true interest cost for all Bonds in the aggregate shall not exceed 4.00% per annum), the optional and mandatory redemption provisions, if any, and such other terms not inconsistent with this Resolution as the Treasurer shall deem appropriate. Pursuant to Revised Code Section 9.833(C)(9), the Treasurer is hereby authorized to elect to issue the Bonds under the procedures set forth in Revised Code Chapter 133 if the Treasurer, in her sole determination, decides that such an election is necessary or beneficial for issuing the Bonds and carrying out the intent of this Resolution.

**Regular Board of Education Meeting
May 17, 2018**

Section 4. The Bonds shall be issued with interest payable semiannually on each Interest Payment Date until the principal sum is paid or provision has been duly made therefor. Interest shall be calculated on the basis of a 360-day year of twelve 30-day months unless otherwise determined by the Treasurer.

Section 5. The Bonds shall be subject to optional and mandatory redemption prior to stated maturity as provided in the Certificate of Fiscal Officer. If optional redemption of the Bonds at a redemption price exceeding 100% is to take place on any date on which a mandatory redemption of the Bonds of the same maturity will take place, the Bonds to be redeemed by optional redemption shall be selected by the Bond Registrar (as defined herein below) prior to the selection of the Bonds to be redeemed at par on the same date.

When partial redemption is authorized, the Bond Registrar shall select Bonds or portions thereof by lot within a maturity in such manner as the Bond Registrar may determine, provided, however, that the portion of any Bond so selected shall be in the amount of \$5,000 or any integral multiple thereof (unless otherwise determined by the Treasurer).

The notice of the call for redemption of Bonds shall identify (i) by designation, letters, numbers or other distinguishing marks, the Bonds or portions thereof to be redeemed, (ii) the redemption price to be paid, (iii) the date fixed for redemption, and (iv) the place or places where the amounts due upon redemption are payable. From and after the specified redemption date interest on the Bonds (or portions thereof) called for redemption shall cease to accrue. Such notice shall be sent by first class mail at least 30 days prior to the redemption date to each registered holder of the Bonds to be redeemed at the address shown in the Bond Register (as defined herein below) on the 15th day preceding the date of mailing. Failure to receive such notice or any defect therein shall not affect the validity of the proceedings for the redemption of any Bond.

**Regular Board of Education Meeting
May 17, 2018**

Section 6. The Bonds shall express upon their faces the purpose for which they are issued and that they are issued pursuant to this Resolution. The Bonds shall be executed by the President of the Board (the "President") and by the Treasurer in their official capacities, provided that either or both of their signatures may be a facsimile. No Bond shall be valid or become obligatory for any purpose or shall be entitled to any security or benefit under this Resolution unless and until a certificate of authentication, as printed on the Bond, is signed by the Bond Registrar as authenticating agent. Authentication by the Bond Registrar shall be conclusive evidence that the Bond so authenticated has been duly issued and delivered under this Resolution and is entitled to the security and benefit of this Resolution. The certificate of authentication may be signed by any officer or officers of the Bond Registrar or by such other person acting as an agent of the Bond Registrar as shall be approved by the Treasurer on behalf of the School District. It shall not be necessary that the same authorized person sign the certificate of authentication on all of the Bonds.

Section 7. The principal of and interest on the Bonds shall be payable in lawful money of the United States of America without deduction for the services of the Bond Registrar as paying agent. The principal of the Bonds shall be payable upon presentation and surrender of the Bonds at the principal office of the Bond Registrar. Each Bond shall bear interest from the later of the date thereof, or the most recent Interest Payment Date to which interest has been paid or duly provided for, unless the date of authentication of any Bond is less than 15 days prior to an Interest Payment Date, in which case interest shall accrue from such Interest Payment Date. Interest on any Bond shall be paid on each Interest Payment Date by check or draft mailed to the person in whose name the Bond is registered, at the close of business on the 15th day next preceding that Interest Payment Date (the "Record Date") (unless such date falls on a non-business day, in which case the Record Date shall be the preceding business day), on the Bond Register at the address appearing therein.

Any interest on any Bond which is payable, but is not punctually paid or provided for, on any Interest Payment Date (herein called "Defaulted Interest") shall forthwith cease to be payable to the registered owner on the relevant Record Date by virtue of having been such owner and such Defaulted Interest shall be paid to the registered owner in whose name the Bond is registered at the close of business on a date (the "Special Record Date") to be fixed by the Bond

**Regular Board of Education Meeting
May 17, 2018**

Registrar, such Special Record Date to be not more than 15 nor less than 10 days prior to the date of proposed payment. The Bond Registrar shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first class postage prepaid, to each Bondholder, at such Bondholder's address as it appears in the Bond Register, not less than 10 days prior to such Special Record Date, and may, in its discretion, cause a similar notice to be published once in a newspaper in each place where Bonds are payable, but such publication shall not be a condition precedent to the establishment of such Special Record Date.

Subject to the foregoing provisions of this Section, each Bond delivered by the Bond Registrar upon transfer of or in exchange for or in lieu of any other Bond shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Bond.

Section 8.

The Treasurer is hereby authorized and directed to serve as authenticating agent, bond registrar, transfer agent, and paying agent (collectively, the "Bond Registrar") for the Bonds or to execute on behalf of the Board a Bond Registrar Agreement with such bank or other appropriate financial institution as shall be acceptable to the Treasurer and the Original Purchaser (as defined herein below), pursuant to which such bank or financial institution shall agree to serve as Bond Registrar for the Bonds. If at any time the Bond Registrar shall be unable or unwilling to serve as such, or the Treasurer in such officer's discretion shall determine that it would be in the best interest of the School District for such functions to be performed by another party, the Treasurer may, and is hereby authorized and directed to, enter into an agreement with a national banking association or other appropriate institution experienced in providing such services, to perform the services required of the Bond Registrar hereunder. Each such successor Bond Registrar shall promptly advise all bondholders of the change in identity and new address of the Bond Registrar. So long as any of the Bonds remain outstanding, the School District shall cause to be maintained and kept by the Bond Registrar, at the office of the Bond Registrar, all books and records necessary for the registration, exchange and transfer of Bonds as provided in this Section (the "Bond Register"). Subject to the provisions hereof, the person in whose name any Bond shall be registered on the Bond Register shall be regarded as the absolute owner thereof for all purposes. Payment of or on account of the principal of and interest on any Bond shall be made only to or upon the order of that person. Neither the School District

**Regular Board of Education Meeting
May 17, 2018**

nor the Bond Registrar shall be affected by any notice to the contrary, but the registration may be changed as herein provided. All payments shall be valid and effectual to satisfy and discharge the liability upon the Bonds, including the interest thereon, to the extent of the amount or amounts so paid.

Any Bond, upon presentation and surrender at the office of the Bond Registrar, together with a request for exchange signed by the registered owner or by a person authorized by the owner to do so by a power of attorney in a form satisfactory to the Bond Registrar, may be exchanged for Bonds of the same form and of any authorized denomination or denominations equal in the aggregate to the unmatured principal amount of the Bonds surrendered, and bearing interest at the same rate and maturing on the same date.

A Bond may be transferred only on the Bond Register upon presentation and surrender thereof at the office of the Bond Registrar, together with an assignment executed by the registered owner or by a person authorized by the owner to do so by a power of attorney in a form satisfactory to the Bond Registrar. Upon that transfer, the Bond Registrar shall complete, authenticate and deliver a new Bond or Bonds of any authorized denomination or denominations equal in the aggregate to the unmatured principal amount of the Bonds surrendered, and bearing interest at the same rate and maturing on the same date.

The School District and the Bond Registrar shall not be required to transfer or exchange (i) any Bond during a period beginning at the opening of business 15 days before the day of mailing of a notice of redemption of Bonds, and ending at the close of business on the day of such mailing, or (ii) any Bonds selected for redemption, in whole or in part, following the date of such mailing.

**Regular Board of Education Meeting
May 17, 2018**

In all cases in which Bonds are exchanged or transferred hereunder, the School District shall cause to be executed and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of this Resolution. The exchange or transfer shall be without charge to the owner; except that the School District and the Bond Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The School District or the Bond Registrar may require that those charges, if any, be paid before it begins the procedure for the exchange or transfer of the Bonds. All Bonds issued upon any transfer or exchange shall be the valid obligations of the School District, evidencing the same debt, and entitled to the same benefits under this Resolution, as the Bonds surrendered upon that transfer or exchange.

Section 9.

For purposes of this Resolution, the following terms shall have the following meanings:

"Book-entry form" or "book-entry system" means a form or system under which (i) the beneficial right to payment of principal of and interest on the Bonds may be transferred only through a book entry and (ii) physical Bonds in fully registered form are issued only to a Depository or its nominee as registered owner, with the Bonds "immobilized" to the custody of the Depository, and the book entry is the record that identifies the owners of beneficial interests in those Bonds.

"Depository" means any securities depository that is a clearing agency under federal law operating and maintaining, together with its participants, a book-entry system to record beneficial ownership of securities and to effect transfers of securities in book-entry form, and includes The Depository Trust Company (a limited purpose trust company), New York, New York.

All or any portion of the Bonds may be initially issued to a Depository for use in a book-entry system, and the provisions of this Section shall apply, notwithstanding any other provision of this Resolution:

(i) there shall be a single Bond of each maturity; (ii) those Bonds shall be registered in the name of the Depository or its nominee, as registered owner, and immobilized in the custody of the Depository; (iii) the beneficial owners in book-entry form shall have no right to receive Bonds in the form of physical securities or certificates; (iv)

**Regular Board of Education Meeting
May 17, 2018**

ownership of beneficial interests in any Bonds in book-entry form shall be shown by book entry on the system maintained and operated by the Depository, and transfers of the ownership of beneficial interests shall be made only by the Depository and by book entry; and (v) the Bonds as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the School District. Bond service charges on Bonds in book-entry form registered in the name of a Depository or its nominee shall be payable in same day funds delivered to the Depository or its authorized representative (i) in the case of interest, on each Interest Payment Date, and (ii) in all other cases, upon presentation and surrender of Bonds as provided in this Resolution.

The Bond Registrar may, with the approval of the School District, enter into an agreement with the beneficial owner or registered owner of any Bond in the custody of a Depository providing for making all payments to that owner of principal and interest on that Bond or any portion thereof (other than any payment of the entire unpaid principal amount thereof) at a place and in a manner (including wire transfer of federal funds) other than as provided above in this Resolution, without prior presentation or surrender of the Bond, upon any conditions which shall be satisfactory to the Bond Registrar and the School District. That payment in any event shall be made to the person who is the registered owner of that Bond on the date that principal is due, or, with respect to the payment of interest, as of the applicable date agreed upon as the case may be. The Bond Registrar shall furnish a copy of each of those agreements, certified to be correct by the Bond Registrar, to other paying agents for Bonds and to the School District. Any payment of principal or interest pursuant to such an agreement shall constitute payment thereof pursuant to, and for all purposes of, this Resolution.

If requested, the Treasurer, the Superintendent of the School District (the "Superintendent"), or any other officer of this Board is authorized and directed to execute, acknowledge and deliver, in the name of and on behalf of the School District, an agreement among the School District, the Bond Registrar and a Depository to be delivered in connection with the issuance of the Bonds to such Depository for use in a book-entry system.

**Regular Board of Education Meeting
May 17, 2018**

The School District may decide to discontinue use of the book-entry system through the Depository. In that event, physical Bond certificates will be printed and delivered to the Depository.

If any Depository determines not to continue to act as the Depository for the Bonds for use in a book-entry system, the School District and the Bond Registrar may attempt to establish a securities depository/book-entry relationship with another qualified Depository under this Resolution. If the School District and the Bond Registrar do not or are unable to do so, the School District and the Bond Registrar, after the Bond Registrar has made provision for notification of the beneficial owners by the then Depository, shall permit withdrawal of the Bonds from the Depository and authenticate and deliver bond certificates in fully registered form to the assigns of the Depository or its nominee, all at the cost and expense (including costs of printing and delivering definitive Bonds), if the event is not the result of action or inaction by the School District or the Bond Registrar, of those persons requesting such issuance. The Bonds shall be special obligations of the School District payable from revenue sources other than the School District's receipts from real or personal property taxes (the "Non-Property Tax Revenues"), and the proceeds of the Non-Property Tax Revenues to be received by the School District are hereby pledged for the payment of the principal and interest on the Bonds. There shall be and hereby is appropriated from proceeds of the Non-Property Tax Revenues to be received by the School District an amount sufficient to pay the principal of and interest on the Bonds as the same shall fall due.

**Regular Board of Education Meeting
May 17, 2018**

Section 10. The Treasurer shall sell the Bonds to such purchaser or purchasers (collectively, the "Original Purchaser") as the Treasurer shall designate in the Certificate of Fiscal Officer, at the purchase price set forth in the Certificate of Fiscal Officer, plus interest accrued, if any, to the date of delivery of the Bonds to the Original Purchaser. The Superintendent, the President and the Treasurer, or any of them individually, are authorized to execute on behalf of the Board a bond purchase agreement or term sheet with the Original Purchaser setting forth the conditions under which the Bonds are to be sold and delivered, which agreement or term sheet shall be in such form, not inconsistent with the terms of this Resolution, as the Treasurer shall determine.

The proceeds from the sale of the Bonds, except the premium and accrued interest thereon, shall be used for the purpose aforesaid and for no other purpose. Any accrued interest received from such sale shall be transferred to the bond retirement fund to be applied to the payment of the principal of and interest on the Bonds, or other obligations of the School District, as permitted by law. Any premium from the sale of the Bonds may be used to pay the financing costs of the Bonds within the meaning of Ohio Revised Code Section 133.01(K) or be deposited into the bond retirement fund.

Section 11. The Treasurer is hereby authorized to obtain or update a rating or ratings on the Bonds and the School District if the Treasurer determines that it is necessary or advisable in connection with the original issuance of the Bonds. If the Treasurer so determines, then the Treasurer, Superintendent, and this Board are hereby authorized and directed to take all steps necessary to obtain such rating or ratings.

Section 12. The Board hereby approves of the appointments of the law firm of Bricker & Eckler LLP to serve as Bond Counsel and H.J. Umbaugh & Associates, Certified Public Accountants, LLP to serve as a municipal advisor to the School District with respect to the issuance of the Bonds. The respective fees to be paid to such firms shall be subject to review and approval by the Treasurer and shall not exceed the fees customarily charged for such services.

Section 13. The officer having charge of the minutes of the Board and any other officers of the Board, or any of them individually, are hereby authorized and directed to prepare and certify a true transcript of proceedings pertaining to the Bonds and to furnish a copy of such transcript to the Original Purchaser. Such transcript shall include certified copies of all proceedings and records of the Board relating

**Regular Board of Education Meeting
May 17, 2018**

to the power and authority of the School District to issue the Bonds and certificates as to matters within their knowledge or as shown by the books and records under their custody and control, including but not limited to a general certificate of the Treasurer and a no-litigation certificate of the President and the Treasurer, and such certified copies and certificates shall be deemed representations of the School District as to the facts stated therein.

The Treasurer and the President are hereby authorized and directed to take such action (including, but not limited to, hiring such professionals or consultants as may be needed to facilitate the issuance of the Bonds) and to execute and deliver, on behalf of the Board, such additional instruments, disclosure documents, agreements, certificates, and other documents as may be in their discretion necessary or appropriate in order to carry out the intent of this Resolution. Such documents shall be in the form not substantially inconsistent with the terms of this Resolution, as they in their discretion shall deem necessary or appropriate.

Section 14. It is hereby found and determined that all acts, conditions and things necessary to be done precedent to and in the issuing of the Bonds in order to make them legal, valid and binding obligations of the School District have happened, been done and been performed in regular and due form as required by law; that proceeds of the Non-Property Tax Revenues have been appropriated and are hereby irrevocably pledged for the prompt payment of the interest on and principal of the Bonds; and that no limitation of indebtedness or taxation, either statutory or constitutional, has been exceeded in issuing the Bonds.

Section 15. It is hereby found and determined that all formal actions of the Board concerning and relating to the passage of this Resolution were taken in an open meeting of the Board, and that all deliberations of the Board and of any of its committees that resulted in such formal action were in meetings open to the public in compliance with all legal requirements, including Revised Code Section 121.22.

Section 16. The Treasurer is hereby authorized to forward a certified copy of this Resolution to the County Auditor of Franklin County, Ohio.

3. Architect of Record Selection

**SELECTING TRIAD ARCHITECTS FOR ARCHITECT-OF-RECORD SERVICES
AND AUTHORIZING AN AGREEMENT FOR SERVICES**

The Superintendent recommends Triad Architects as the most qualified firm to provide design services for on-going and future capital projects for a 5-year period as these improvements are identified, and requests authority to enter into an agreement with Triad Architects for architect-of-record services.

Rationale:

1. The Ohio Revised Code outlines a qualifications-based selection process in ORC Sections 153.65 through .71, which public entities must follow when professional design services are needed.
2. On behalf of the Board, the Business Director issued a request for qualifications for professional design services and solicited qualifications from qualified firms to provide design services over the next 5-year period for on-going and future capital projects as these are identified.
3. Qualifications submittals were received and reviewed, after which it was determined that Triad Architects is the most qualified to provide services as an architect-of-record.
4. The Superintendent recommends contracting with Triad Architects to serve as the District's architect-of-record for on-going and future capital projects as these are identified over the next 5-year period.
5. The Board authorizes the Business Director to request a proposal from Triad Architects and to work with legal counsel to prepare an agreement for architect-of-record services, to which specific projects will be added as they are identified and a fee for services is negotiated.
6. The qualifications received from all firms will be placed in the District's qualifications file for use on projects requiring services of an architect, engineer, surveyor, or landscape architect for which compensation will not exceed \$50,000, as long as the qualifications are current (not older than 1 year).

The Gahanna-Jefferson Public School District Board of Education resolves as follows:

1. Based upon the recommendation of the Superintendent and information provided, the Board selects Triad Architects as the most qualified firm to serve as the District's architect-of-record for the next 5-year period as capital improvements are identified. The Board reserves the right to use other design firms during this 5-year period.
2. The Board authorizes the Business Director working with legal counsel to prepare an agreement for architect-of-record design services with Triad Architects, with specific projects to be added to the agreement by amendment as they are identified and a fee negotiated for services.
3. The Board authorizes the Business Director to coordinate signatures of Triad Architects and the Superintendent and Treasurer on the agreement.
