Memorandum of Agreement

This Memorandum of Agreement ("MOA") is entered into this ____ day of January 2021 by and between the Board of Education of the Gahanna Jefferson City School District ("Board") and the Gahanna Jefferson Education Association ("Association") (collectively the "Parties").

WHEREAS, the Board and the Association are parties to a collective bargaining agreement for the period of July 1, 2020 through June 30, 2021 ("Negotiated Agreement");

WHEREAS, Article VII of the Negotiated Agreement and Appendix D to the Negotiated Agreement both include provisions for evaluation procedures, including evaluation of teachers under the Ohio Teacher Evaluation System (OTES);

WHEREAS, certain uncodified provisions of Ohio House Bill ("HB") 404 became effective upon Governor DeWine's November 22, 2020, signature, and such provisions grant Ohio school districts the discretion to elect to not evaluate employees for the 2020-2021 contract year if the school district board of education determines completion of such evaluations to be impossible or impracticable;

WHEREAS, ODE's guidance provides that if an evaluation is not completed due to being impossible or impracticable, the teacher's/counselor's 2020-2021 evaluation status will roll over to their 2021-2022 evaluation status (stay the same);"

WHEREAS, those teachers/counselors with evaluations not completed due to the evaluation being impossible or impracticable will revert to the evaluation status and summative evaluation rating held at the beginning of the 2020 - 2021 school year at the beginning of the 2021- 2022 school year;

WHEREAS, due to the fluid opening and closure of school buildings in the District during the 2020-2021 school year, the Board and Association have determined that it has become impractical to conduct certain teacher/counselor evaluations for the 2020-2021 contract year in strict compliance with the Ohio Revised Code and the Negotiated Agreement for Employees;

WHEREAS, given relevant HB 404 provisions, the parties agree to outline evaluation terms related to members of the Association covered

**Regular Board of Education Meeting
January 21, 2021**

by the Negotiated Agreement for the 2020 - 2021 contract year in accordance with the terms and conditions set forth in this MOA;

WHEREAS, the Parties jointly agree that it is in their mutual best interest to modify the Negotiated Agreement with regard to such teacher evaluation terms;

NOW THEREFORE the Parties agree to the following:

1. Given the unprecedented circumstances, the Parties agree that certain evaluations of Employees have been rendered impracticable and therefore such evaluations shall be suspended for the 2020-2021 contract year.
2. The Parties agree that if an Employee is in their off-cycle year of evaluation and the required thirty (30) minute observation has been completed, the off-year cycle evaluation shall be deemed complete. If the required thirty (30) minute observation has not been completed, then the Employee shall have the choice of whether or not to complete the off-cycle evaluation.
3. The Parties further agree that the 2020-2021 evaluation for any teacher/counselor who, at the time of the execution of this agreement were not completed may only be completed subject to the following parameters:
 - a. It is understood that there will not be student growth measures for the 2020-2021 academic year for individuals being evaluated under the Ohio Teacher Evaluation System (OTES). Accordingly, OTES evaluations will be based solely on the teacher performance portion of the evaluation process as determined by teacher observations and walkthroughs, to the extent permitted by law. However, for school counselors, the student metrics portion of the Ohio School Counselor Evaluation System (OSCES) will continue to be used per state requirements.
 - b. The teacher/counselor must complete the District form and indicate whether or not he/she will complete or forgo the evaluation by January 20, 2021. The only exception to this provision is any teacher/counselor in the last year of a limited or extended limited contract and who is being considered for non-renewal. The individual who is being considered for non-renewal shall be informed that he/she is being considered and that the evaluation shall be completed.

**Regular Board of Education Meeting
January 21, 2021**

- c. Any formal observation completed under the terms of this MOA will be conducted with advance notice to the affected teacher/counselor. The Employee and Administrator shall work collaboratively to determine when the formal observation will occur within the administrator's availability and the evaluation timeline. The formal observation shall be at least thirty (30) consecutive minutes in duration.
 - d. It is further understood that all of the timelines, set forth in Article VII D6 shall remain in full force and effect except as modified through the Parties' Tentative Agreement signed on October 17, 2020, and the MOA between the Parties signed on January 15, 2021.
4. The Parties agree that, regardless of whether an Employee's 2020 - 2021 evaluation is completed, neither 2019-2020 nor 2020 - 2021 evaluation results will be included for purposes of determining comparable evaluation placement as it relates to a Reduction in Force under Article VII, Section D.5.b. of the Negotiated Agreement.
5. The Parties agree that any bargaining unit member not evaluated during the 2020-2021 school year shall begin the 2021-2022 school year at the same evaluation status at which the Employee began the 2020-2021 school year. All 2020-2021 evaluation cycles for teacher/counselor not evaluated during the 2020-2021 school year shall roll over to the 2021-2022 school year. Any teacher/counselor not evaluated during the 2020-2021 school year and who would have been eligible for an off-cycle evaluation for the 2020-2021 school year due to attainment of an Accomplished or Skilled evaluation rating shall have such off-cycle evaluation applied for the 2021-2022 school year evaluation; however, as an exception to this agreement, the Parties recognize that any teacher/counselor who is in the last year of a limited or extended limited contract may be subject to full-cycle evaluation, including at least three observations for any such teacher/counselor who is under consideration for non-renewal.
6. The Parties agree that any Improvement Plan in place at the time of the execution of this agreement may remain in full force and effect regardless of whether a 2020-2021 evaluation is completed for the teacher/counselor to which such Improvement Plan applies. An individual employee's Improvement Plan and progress on the Improvement Plan shall be considered in determining whether or not the Individual employee's Improvement Plan remains in place for the 2021-2022 school year.

**Regular Board of Education Meeting
January 21, 2021**

7. The Parties acknowledge that the Negotiated Agreement contains a provision in Article VII, Section 7.D.2. outlining the sequence of issuing limited contracts. Due to the unique circumstances related to evaluation in the 2020-2021 school year, the Parties agree that if a unit member who is otherwise scheduled to receive a multi-year limited contract does not have a completed evaluation (i.e., has been subject to suspension of evaluation) for the 2020-2021 school year, then the Superintendent may recommend the Board of Education issue a one-year contract for the 2021-2022 school year. This break in sequence shall be a one-time exception.
8. The Parties acknowledge that the Negotiated Agreement contains a provision in Article VII, Section D.4.b. outlining that the non-renewal of certain Employees from the District's employment. The Parties further agree that the language contained therein is contrary to law. The Parties agree to the following:
 - a. Article VII, Section D.4.b - A part-time Employee or a full-time limited contract Employee who is non-renewed at the conclusion of one (1) or two (2) years of service under consecutive regular teaching contracts may only challenge his/her non-renewal if the evaluation procedures, as set forth in Article VII, Section 6 (Evaluation Procedure), any/all MOU/MOA pertaining to the modification of the Article VII, Section 6, and/or Ohio Revised Code 3319.111, have not been complied with and shall only challenge the nonrenewal pursuant to Section 3319.11(G) of the Ohio Revised Code.
 - b. This provision of this Agreement shall expire on June 30, 2021.
9. This MOA shall automatically expire at such time as all bargaining unit members who had an incomplete evaluation under the terms of this agreement have received a summative evaluation rating pursuant to the provisions of the CBA and Ohio Rev. Code.
10. The Parties understand and agree that the terms of this MOA shall prevail over any contrary terms in the Negotiated Agreement between the Board and the Association. All other provisions in the Negotiated Agreement shall remain in full force and effect as written, and the Parties acknowledge that any subsequent changes to the Negotiated Agreement or any successor agreement must be accomplished through bargaining in accordance with Ohio law.

**Regular Board of Education Meeting
January 21, 2021**

11. This MOA shall set no precedent in any other matter between the Parties and shall not be referred to by any party in any other matter unrelated to this MOA or in regard to any other employee issues.
12. This MOA constitutes the entire agreement between the Board and the Association regarding the issues outlined herein. There are no other written or verbal agreements, understandings or arrangements between the Parties regarding the issues outlined herein. Any amendment to this MOA must be in writing and signed by the Parties.
13. The representatives of the Board and the Association affirm that they have full authority to execute this MOA for their respective parties.
