August 21, 2020

Dear parent/guardian,

We are excited to inform you that the Elementary Chinese Enrichment program will be offered during the 2020-21 school year. This year's program will begin the **week of September 21, 2020**. Registration is now open and will continue until the end of the day on September 16, 2020. The program is open to all second and third grade students, as well as fourth and fifth grade students who have previously participated.

Classes for the Elementary Chinese Enrichment program will begin the year in the distance learning model similar to the regular school day. This means that students enrolled in the program will participate in a daily live Google Meet with their Chinese Enrichment instructor to receive the lessons. Students will also complete independent activities and games for additional learning and practice with the Chinese language and culture. There will be a healthy balance of online and offline activities so that students are not on the computer during the entire class time. Once we return to the school buildings, the Chinese Enrichment classes will move back to the classroom. More information will be shared prior to the transition back to the building.

Please read the included document for detailed information for registration and class offerings. If you have any questions, please feel free to contact me at (614) 269-4795 or [hollimant@gips.org](mailto:hollimant@gips.org).

Sincerely,

Ms. Tia P. Holliman  
Director of Curriculum  
Gahanna-Jefferson Public Schools
