

Information for the Elementary Chinese Language Program Third Grade “Dragons” – 2017-2018

As a follow-up to the second grade Math/Chinese immersion program, we are offering a voluntary after school Chinese language class for third graders. We are inviting your child to continue his/her language development by joining the Dragon class to learn about Mandarin Chinese language and culture. We hope that you encourage your son or daughter to continue to participate in this unique language opportunity. **Students who did not participate in the Chinese enrichment program in second grade can still sign up for the third grade program.**

The Dragon classes will begin on **Thursday, September 7, 2017**. The classes will meet every **Monday and Thursday** after school from **2:25-3:25 p.m.** at each elementary school. The registration cost will be only \$70.00* for the entire year of classes. Teacher and room assignments will be provided before classes begin. Transportation home will be the responsibility of the parent/guardian of student participants.

Please note for Royal Manor: Royal Manor students will take the Dragon class at Goshen Lane. Classes will be held at Goshen Lane from **2:25-3:25 p.m.** Students will take the shuttle bus from Royal Manor to Goshen Lane at **2:20 p.m.** Transportation home of Royal Manor student participants' is the responsibility of the parent/guardian.
