

Summer School High School Class Descriptions - 2019  
(Physical Education, Health, Speech – new credit)  
(English, Math, Social Studies, Science - make-up credit)

**GENERAL INFORMATION:**

Daily attendance is important. Each school day is equal to approximately one week of class during the regular school year. Courses in summer school follow the regular graded courses of study as approved by the Gahanna-Jefferson Board of Education. Classes have time requirements imposed by the Ohio Department of Education. All students must complete the 60 hours of classroom instruction. Students are expected to be able to attend all days of class. If an emergency or illness arises that means a student will miss one day of class, the student will work with the teacher to make up the time.

Please do not enroll in summer school if vacations, camps, sports, or other commitments will conflict with attendance in summer school. Students will **NOT** be released early from class to attend sports camps, retreats, tournaments, or competitions. This is considered an UNEXCUSED activity. State law requires a minimum mandatory attendance.

Students withdrawn due to excessive attendance problems or for disciplinary reasons will not receive credit for the class and will not receive a refund.

Transportation is the responsibility of the parent. We do not provide summer school transportation for high school students.

All classes will be held at Lincoln High School, 140 South Hamilton Road. Room assignments (unless otherwise noted) will be posted in the front lobby of the high school on the first day of class for each session. Enrollment in all classes is limited. Registrations will be accepted in the order in which they are received.

All classes must meet a minimum enrollment in order to be offered.

Gahanna-Jefferson students on the free lunch program can take summer **make-up** classes at no charge. New credit classes **do not** qualify for fee adjustment for those on the free lunch program. Students on reduced lunch must pay 15% of the total cost of **make-up** classes. New credit classes **do not** qualify for fee adjustment for those on the reduced lunch program.

**For financial reasons, a federal food service program is not available during the summer.**
