(Physical Education, Health, Speech – new credit)  
(English, Math, Social Studies, Science, OGT – make-up credit)  
Enrichment Classes-Latin Philharmonic and Songwriting and Arranging

### **GENERAL INFORMATION:**

Daily attendance is important. Each school day is equal to approximately one week of class during the regular school year. Courses in summer school follow the regular graded courses of study as approved by the Gahanna-Jefferson Board of Education. Classes have time requirements imposed by the Ohio Department of Education. All students must complete the 60 hours of classroom instruction. Students are expected to be able to attend all days of class. If an emergency or illness arises that means a student will miss one day of class, the student will work with the teacher to make up the time.

Please do not enroll in summer school if vacations, camps, sports, or other commitments will conflict with attendance in summer school. Students will **NOT** be released early from class to attend sports camps, retreats, tournaments, or competitions. This is considered an UNEXCUSED activity. State law requires a minimum mandatory attendance.

Students withdrawn due to excessive attendance problems or for disciplinary reasons will not receive credit for the class and will not receive a refund.

All classes will be held at Lincoln High School. Room assignments (unless otherwise noted) will be posted in the front lobby of the high school on the first day of class for each session.

Transportation is the responsibility of the parent. We do not provide summer school transportation for high school students.

Enrollment in all classes is limited. Registrations will be accepted in the order in which they are received.

If a class must be cancelled due to insufficient enrollment, or if there is a need to consider an alternative time slot, a phone call will be made to either the home, work, or cell number listed on the registration form to discuss options. Fees will be refunded for cancelled classes.

GJPS parents can verify a student is enrolled by checking Home Access Center. On the left-hand menu, click on schedule. Any summer school classes the student is registered for will appear in 2016-17 schedule. Grades for in-district students will be posted on-line after the completion of the course and can be accessed through the Home Access Center. Click on report cards. Grades for non-GJPS students living in our school district will be mailed.

Gahanna-Jefferson students on the free and reduced lunch program can take summer **make-up** classes or the enrichment classes at no charge. New credit classes do not qualify for fee adjustment for those on the free and reduced lunch programs.

Fees must be paid when registering for classes. **Registration forms will not be accepted without payment.** Full refunds will be processed for cancellations prior to the deadline for enrolling in classes. A \$20 processing fee will be charged for refund requests after the enrollment deadline date.

Summer school registration forms are available at the administration office, high school guidance office, middle school guidance office, and our web-site: [www.gahannaschools.org](http://www.gahannaschools.org). On the home page, click on "Summer School" under "Quick Links."
