

Dear GJPS PreK-2 Parents,

Welcome to Seesaw, our online platform for delivering and receiving information, instruction, and academic products with our youngest learners. Seesaw is an app that is found on the GJPS Classlink page. After logging in the first time by following the directions below, the student will automatically be entered straight into their homeroom account without needing to login again. (Classlink remembers their information and stores it giving the students access to their tools without needing to login and use passwords for all of our applications.)

### First Time Login Directions:

1. In classlink, click *GJPS Seesaw Student*

2. Choose- Login with Google

A screenshot of the "Student Sign In" form. It includes a "Sign In with Google" button, an "Email" input field, a "Password" input field, a "Forgot Password?" link, a "Student Sign In" button, a "Seesaw for Schools Clever Sign In" link, a "TEXT CODE" input field with a "Go" button, and a "Scan Code" button with a QR code icon.

3. Click on your student's email which is under "choose an account".

[Seesaw App for parents tutorial](#)- as a parent, you have the option to put the Seesaw app on your phone for fingertip access
