Announcements
Friday, February 8, 2019**

This is your wellness wake-up call!

**Why is an apple the ideal snack? It's tasty and good for you. It doesn't leave a slippery peel behind, like a banana does. It takes a long time to go bad, so it's perfect for lunches, long hikes, or right after school. Unlike oranges, it won't make you fingers sticky
Enjoy your day the healthy way.**

Senior pictures for the yearbook are due **the Friday after spring break**. Pictures may be submitted through GahannaYearbook.com or by emailing GLHSSP@gmail.com. Photos that are shot in portrait position and are close-ups of the face usually print best. If you do not submit a picture, we will utilize your student ID photo.

Students...Love is in the air...as you may already know, next Thursday is February 14th, is St. Valentine's Day, and symbols of love such as flowers, candy, cards and little stuffed animals will be traveling to their destinations by planes, trains and automobiles all across our city and state. Because we know that loving students abound here at GLHS, if each of you has these symbols of love delivered to the school it would take days to uncover our secretaries from the mound of deliveries in the main office. Therefore, we reluctantly, **must** direct **all** the Lincoln High School sweethearts to deliver those tokens of affection for your special someone **somewhere other than school**. In the interest of keeping love alive on this special day, please consider giving something from the heart; like maybe composing a song; or recite an original love poem for your special one. So to summarize this Valentine's Day Message...

**Roses are red
Violets are blue,
Their deliveries are banned next Thursday,
It's true!**
