

PHYSICAL EDUCATION EXEMPTION INSTRUCTIONS

The attached form should be used for any student graduating 2018 or after. Previous forms are void. Please read carefully:

1. Students graduating in 2018 or after must complete the attached form at the completion of each approved exemption activity/sport and submit the completed form to the Guidance Office.
2. The student understands that two (2) successful seasons must be completed to waive the Physical Education graduation requirement and that no credit is earned for the waived activity.
3. The Guidance Office will transcribe 1 PE Waiver, per form, to the student's transcript after the completed form is submitted to the Guidance Office.
4. The student is responsible for all signatures required on the attached form.

In summary: Students will need to complete this form and obtain all of the required signatures prior to submitting the form to the Guidance Office. In total you will have completed two (2) successful seasons, therefore you will have completed two (2) of these forms throughout H.S. to receive your full Physical Education exemption.

Reminders: Students must complete (2) seasons as defined by the advisor/coach/director in order to qualify for the exemption. No partial credit is given. Exempted students must complete one-half unit in another curricular area. While one-half unit of PE requires a minimum of 120 hours of instruction, one-half unit in all other curricular areas requires a minimum of 60 hours of instruction. This one-half unit in another curricular area keeps the minimum number of credits required for graduation at 20.
