### Philosophy

The Gahanna Middle School East philosophy addresses itself to the growth of the total student. The primary focus is the development of academic skills. These skills can best be achieved with self-discipline (student awareness of appropriate behavior), healthy development (emotional and physical growth), and concern for the students' ability to become contributing members of the society in which they live and work, with special emphasis on career opportunities and character education. The staff of Gahanna Middle School East, through individual instruction and team approach efforts, desires to see each student develop at a rate commensurate with his/her abilities and awareness. The curriculum integrates academic and cultural courses so that the school environment closely relates to life and the world outside of the school building. When each student leaves the middle school, it is the goal of the staff that they will be equipped with the critical thinking skills and self confidence necessary to meet the challenges and capitalize on the opportunities they will encounter as they become young adults.

## GAHANNA-JEFFERSON SCHOOL BOARD APPROVED CODE OF STUDENT CONDUCT

Since an orderly atmosphere is essential if learning is to take place, rules and guidelines assist in developing student responsibility and self-discipline as well as aide in promoting the common good and positive climate of the entire school. The Gahanna-Jefferson Middle Schools must provide each student with the maximum opportunity to acquire an education. No student has the right to interfere with this opportunity by his/her actions, poor manners, or lack of consideration. All rules and guidelines are instituted and enforced with this thought in mind. Student and/or parent conferences, detentions, Saturday sessions, in-school restrictions, out-of-school suspensions, or expulsion will be used whenever it is deemed necessary.

Students are expected to conduct themselves in an orderly, courteous, dignified, and respectful manner at all times. The following code of student conduct specifies certain types of conduct for which a student may be suspended, expelled, or removed. Such conduct may occur either:

- A. On/off school grounds during school hours including the time immediately preceding and after school;
  - B. On school grounds during a school-sponsored activity, event, or function;
- OR
- On school grounds at any other time when the school is being used by any school group;
  - C. Off school grounds at a school-sponsored activity, event, or function;
  - D. In transit to or from school;
  - E. On a school bus or at a school bus stop;
  - F. Off school grounds at any time for a violation (1) that involves assault upon, or damage or destruction to the property of, a teacher, administrator, or other school employee, or (2) that poses a danger to the security and well-being of teachers, administrators, other school employees, or that would put a reasonable such person in fear of harm to personal security and well-being, or (3) that brings the District into ill repute (such as vandalism or the writing of graffiti that identifies the District or a school within the District).

Students are responsible for all items they bring on school grounds, e.g. the contents of cars whether known or unknown. Students are also responsible for all the contents of book bags and items in possession, whether known or unknown.

School officials have the right to search students for inappropriate items and if they are in the vicinity of stolen property. This must be done to locate item(s) and to dispel fake claims issued against a student.

A student who violates any of these rules may be suspended for up to ten (10) days, and may be expelled for up to one (1) year. If fewer than ten (10) days remain in the school year in which the violation takes place, any remaining part or all of the suspension or expulsion may be applied to the following school year. It shall be the decision of the proper school administrator, after weighing the facts and circumstances, as to which corrective measures are appropriate or adequate.

1. **Academic Misconduct** - A student shall not cheat on tests or other school assignments, or plagiarize. The use of any means to bring unauthorized information to a testing or assignment scenario is cheating. Any student caught cheating on a quiz, test, or project will receive a zero and may be subject to disciplinary action. Any student who steals the instructional materials from a teacher or staff member will be subject to disciplinary action. Any student who knowingly provides a term paper, project, or test information, including any standardized test, for another student will be subject to disciplinary action. In the event a student is caught cheating on a standardized test, the proctor shall take the student's test booklet and give a written account of the incident to the Building Coordinator.
2. **Alcohol and Other Drugs** - No student shall possess, conceal, use, purchase, offer to purchase, sell, give, distribute, supply or otherwise transmit, or be under the influence of any drug, prescription drug or counterfeit drug, the use or possession of which is prohibited by law or school policy. Nor shall students possess, conceal, use, purchase, offer to sell, give, distribute, supply or otherwise transmit any drug paraphernalia or instruments, such as pipes, roach clips, syringes, hypodermic needles, cocaine spoons or kits, or any other items normally or actually used for the packaging, conveyance, dispensation or use of alcohol or other drugs. Failure to comply with this rule will be cause for suspension or expulsion from school, school property, and school activities. Counseling and/or treatment may be advised through an outside agency. Offenses are cumulative during elementary school, middle school, and high school years.
3. **Appearance and Dress** - Students shall not violate school rules pertaining to appearance and dress. Students shall attend school dressed in a manner which is clean, not hazardous to their safety or to the safety of others, and which does not detract from the educational environment. (Refer to **Guidelines for Student Dress**.)
4. **Attendance** - A student shall comply with school attendance regulations. No student shall be absent from all or any portion of regularly scheduled classes or other mandatory activities without school authorization and parental consent. Presence in unauthorized areas, such as the school parking lot during the school day, without a pass or without permission of a staff member, shall be considered a violation of this provision. Leaving the school campus without the permission of authorized school personnel shall also be a violation of this provision. Repeated tardiness to school or to specific classes shall also be considered a violation of this provision and may result in disciplinary consequences and/or truancy plan/absence intervention plan. (Refer to **School Attendance Policy Guidelines**.)
5. **Civil Compliance** - No student shall violate any State Statutes or City Ordinance while under school authority.
6. **Damage or Destruction of Property** - A student shall not cause or attempt to cause damage to or destruction of any school property or property belonging to another person. Disciplinary consequence may include restitution.
7. **Disruption of School** - A student shall not by use of violence, force, noise, coercion, threat, intimidation, fear, passive resistance, or any other conduct, intentionally cause substantial disruption or obstruction of the process or function of the classroom and/or school. Neither shall he/she urge other students to engage in such conduct.
8. **Explosives** - A student shall not offer to sell, sell, give as a gift, possess, handle, transmit, conceal, or use any fireworks, explosive device, or substance that can be used as an explosive.

10. **Fighting/Unauthorized Touching** - A student shall not engage in unauthorized touching, fighting or otherwise cause physical injury or behave in such a way that could threaten to cause physical injury to staff, other students, or other individuals.
11. **Forgery/Falsification/Misleading School Personnel** - A student shall not forge the name of another person or falsify times, dates, grades, addresses, or any other data whether orally or in writing. 14. **Harassment/Bullying/Hazing** - A student shall not harass, bully, haze, persecute, intimidate, insult, abuse or participate in any act that injures, degrades, or disgraces any student, staff or other school employee. Any speech or action that is inappropriate because of its subject matter (i.e. gender, sexual, ethnic, or religious and/or disability) and creates a hostile, intimidating, or offensive learning environment is prohibited. Harassment, intimidation or bullying is defined as any intentional written, verbal, or physical act that one student exhibits towards another student more than once that both: 1) causes mental or physical harm to the other student, and 2) is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment. Cyber communication and dating violence are considered under this policy.
15. **Identification** - All students must promptly and accurately identify themselves to school personnel upon request.
16. **Inappropriate Behavior/Other Conduct** - It is recognized that no list of prohibited conduct can specifically encompass every action, which may become a subject of discipline. **All school personnel shall have the authority to impose discipline upon a student for conduct not set forth herein if it substantially disrupts or interferes with the good order, discipline, operation, or educational process of the school, or if it materially is or poses a threat to the safety of persons or property.**
17. **Inappropriate Use of Technology** - The inappropriate use of technology is subject to disciplinary action. Inappropriate use of CAMERA PHONES is prohibited in the school zone. The use of any technology to videotape or photograph persons or school property without the prior expressed consent of a school official is strictly prohibited. This includes, but is not limited to, recording verbal conversations or physical altercations involving students and/or staff. Technology includes, but is not limited to, the use of computers, copiers, fax machines, cell phones/camera phones, gaming units, personal music devices, digital cameras and recorders. See computer use agreement.
18. **Insubordination/Disrespect** - A student shall comply with directives and accept Board authorized discipline and punishment from teachers, student teachers, educational aides, substitute teachers, administrators, or other school personnel.
19. **Intimidation or Threats** - A student shall not threaten with physical violence or coerce by any means, any student, teacher, school employee, or other individual. Nor shall a student urge another student or any other person to employ threats of intimidation. Any student who uses intimidation or threat of force using gang or group affiliation may be disciplined more severely.
20. **Laser Pens and Similar Devices** - Due to the potential for harm to persons and property, laser pens and other inappropriate electronic devices will be considered prohibited items on Gahanna Public Schools property. Possession or use could result in suspension. Parents may retrieve the confiscated item(s).
21. **Possession of Stolen Property** - A student shall not receive, retain, or possess school or private property knowing, or having reasonable cause to believe, it has been stolen.

23. **School Bus Violation** - A student shall not interfere with or disrupt the operation of a school bus by activities dangerous to its safe operation including, but not limited to, failing to remain seated, throwing objects out the window or at passengers or at the driver, shouting or other disorderly conduct which can cause physical harm, emotional stress, or diversion of the driver's attention. Students shall conduct themselves in a safe and orderly manner while waiting to board the bus and after leaving the bus. They shall not trespass or impose on nearby property.
24. **Sexual Misconduct** - Students are not to engage in kissing, touching, or display any other physical affection while on school premises, under school authority, or while attending any school-sponsored activities. "Sexual misconduct" includes public indecency, having sexual contact with another with or without consent, and sexually harassing comments and behavior. Students should report such conduct to a teacher or administrator.

31. **Violation of School Discipline Procedures** - The violation of conditions of student suspensions or other disciplinary procedures shall be considered a separate disciplinary violation and shall be subject to additional penalties.
32. **Weapons and Dangerous Instruments** - No student shall sell, possess, handle, transmit, conceal, use, distribute, supply, or purchase or offer to sell, possess, handle, transmit, conceal, use, distribute, supply, or purchase any object that is considered as a weapon, a dangerous instrument, or is a look-alike weapon. Weapons and dangerous instruments shall include any object, which is used or may be used to inflict physical harm or property damage. Examples, which are not meant to be all-inclusive, are knives, guns, chains, and sharpened sticks. **Unawareness of the possession of weapons or dangerous instruments on school property does not absolve the student of responsibility for possession of that object.**
33. **Repeated Violations** - A student shall not persist in inappropriate behavior. Students who repeatedly violate the Student Code of Conduct may be subject to additional disciplinary action.

**Our sensitivity to a nationwide concern for the safety of students underlies our adherence to a zero tolerance on weapons.**

#### **REMOVAL, SUSPENSION, EXPULSION, AND PERMANENT EXCLUSION OF STUDENTS**

The Board of Education recognizes that exclusion from the educational program of the schools, whether by emergency removal, suspension, expulsion, or permanent exclusion is the most severe sanction that can be imposed on a student in this district, and one that cannot be imposed without due process.

For purposes of this policy and the Superintendent's administrative guidelines, the following definitions shall apply:

- A. **"Emergency removal"** shall be the exclusion of a student who poses a continuing danger to District property or persons in the District or whose behavior presents an on-going threat of disrupting the educational process provided by the District.
- B. **"Suspension"** shall be the temporary exclusion of a student by the school building administrator from the District's program for a period not to exceed ten (10) school days. The student may not return to school until the days are served. Failure to follow this directive may result in additional days of suspension. If at the time of a suspension there are fewer days remaining in the school year than the number of days of the suspension, the superintendent may apply any or all of the remaining period to the following school year.

- C. **“Expulsion”** shall be the exclusion of a student from the schools of this district for a period not to exceed eighty (80) school days unless the incident involves a firearm. If at the time of an expulsion there are fewer days remaining in the school year than the number of days of the expulsion, the superintendent may apply any or all of the remaining periods to the following school year. If a student brings a firearm on school property in a school vehicle, or to any school sponsored activity, he/she shall be expelled for one (1) year unless the superintendent reduces the punishment for reasons related to the specific circumstances. The superintendent may also expel a student for up to one (1) year if the student brings a knife onto school property in a school vehicle or to any school sponsored activity. A student may also be expelled for a year if he/she possesses a firearm or knife at school or any other property owned or controlled by the Board which a firearm or knife was initially brought onto district property by another person. In compliance with federal law, the superintendent shall also refer any student expelled for possession of a firearm to the criminal justice or juvenile delinquency system serving the district.

### **PERMANENT EXCLUSION**

In accordance with the law, the Board of Education may seek to permanently exclude a student sixteen (16) years of age or older who has been convicted or adjudicated delinquent for the reason of the following offenses:

- A. Carrying a concealed weapon or conveying or possessing a deadly weapon or dangerous ordinance on property owned or controlled by a board of education or at an activity held under the auspices of this board.
- B. Possessing, selling, or offering to sell controlled substances on property owned or controlled by a board of education or at an activity under the auspices of this board.
- C. Complicity to commit any of the above offenses, regardless of where this complicity occurred.

In accordance with law, any student sixteen (16) years of age or older, who has been convicted or adjudicated delinquent for committing the following offenses may be subject to permanent exclusion:

- A. Rape, gross sexual imposition, or felonious sexual penetration.
- B. Murder, manslaughter, or felonious or aggravated assault.
- C. Complicity to commit offenses described in paragraphs A and B, regardless of where the complicity occurs.

## **GAHANNA-JEFFERSON SCHOOL BOARD APPROVED DRUG AND ALCOHOL POLICY**

### **Introduction**

It is the primary concern of the Gahanna-Jefferson Board of Education that educational and co-curricular programs for all students precede in an orderly and non-disruptive manner. The sale, use, or possession of intoxicants, illegal drugs, counterfeit drugs, or other controlled substances by students is an obstacle to this objective and an interference with the rights of students to receive quality academic instruction.

The Gahanna-Jefferson Board of Education recognizes that individuals who are experiencing problems with alcohol and other drugs are in need of assistance. The type of assistance needed may vary; however, the district is committed to work cooperatively with student and family to help provide alternatives from which these individuals can benefit. Such school district resources as student groups, parent groups, school counselors, school psychologists, and special transitional programs are to be encouraged, made available, and recommended. Students and parents will also be given information about outside agencies and encouraged to take advantage of their services and programs.

Student alcohol and other drug education and referral to counseling resources shall be viewed as instructional and rehabilitative, not as an alternative to the disciplinary measures specified in this policy.

### **Statement of Policy**

Students of the Gahanna-Jefferson Public School District shall not possess, conceal, use, purchase, offer to purchase, sell, give, distribute, supply, or otherwise transmit, offer to sell, give, distribute, supply or otherwise transmit, or be under the influence of any drug, prescription drug, or counterfeit drug, the use or possession of which is prohibited by law or school policy. Nor shall

students possess, conceal, use, purchase, offer to purchase, sell, give, distribute, supply, or otherwise transmit, any drug paraphernalia or instruments, such as pipes, roach clips, syringes, hypodermic needles, cocaine spoons or kits or any other items normally or actually used for packaging, conveyance, dispensation, or use of alcohol or other drugs. Such conduct is prohibited as follows:

- A. At school bus stops or on any property owned, leased by, or under the control of the Gahanna-Jefferson Board of Education, including vehicles used for the transport of students.
- B. On/off school grounds during school hours, including the time immediately preceding and after school.
- C. On/off school grounds while at a school sponsored activity, event, or function or on school grounds while the school or grounds are being used for school activities.

This policy will be subject to enforcement and/or disciplinary action by the administration during the course of the school year, including classes and other school sponsored or sanctioned activities during the summer or other school breaks. Additionally, offenses in violation of this policy are accumulative:

- A. during a student's elementary school years.
- B. during a student's middle school years beginning with a first offense level of discipline at middle school.
- C. during a student's high school years beginning with a first offense level discipline at high school.

### **Offenses and Disciplinary Action**

The actions set forth below will be considered routine disciplinary measures for each category and occurrence of offense and shall be administered in accordance with the policies and regulations of the Gahanna-Jefferson Board of Education. By "routine disciplinary measures" it is intended that the penalties delineated below shall be considered the standard penalty imposed for the offense described.

Students who voluntarily request assistance or counseling in situations where no offense, as specified below, has been detected by school officials, will not be deemed in violation of school policy based on information divulged. In situations where an offense, as specified below, has been detected by school officials, violations of this policy will not necessarily be excused because the student has requested counseling.

The purpose of this agreement is to define the acceptable use of district- and student-owned technologies. All District-owned technologies are provided for educational purposes only, whether used on or off campus.

The Gahanna-Jefferson Public Schools is committed to the belief that technology skills are a critical component of a *21<sup>st</sup> Century Education*, and is also vital to all areas of the *Gahanna-Jefferson Graduate Profile*. We are, therefore, pleased to be able to offer our students access to a wide and expanding range of technologies to support student learning and growth through local and global communication, collaboration, research opportunities, and resource sharing.

Technology, like all extremely powerful tools, can be intentionally or unintentionally misused. One of the *Graduate Profile* goals is to use technology *responsibly and honestly*, and this document is a tool to help outline the proper and ethical use of the vast range of district and personal technologies available to our students. Most often this focus is on Internet and district computer network use, but we touch upon other technologies as well. It is impossible to specify every possible use or misuse of technology, so while these outlines establish a framework of understanding students are encouraged to seek the advice of district staff with any questions about proper and improper technology use. *Due to the rapidly changing technology environment within Gahanna-Jefferson Public Schools, the district reserves the right, at our sole discretion, to change, modify or otherwise alter these terms and conditions at any time. Such modifications shall become effective immediately upon the posting thereof in the Technology area of the district's public website, available at (<http://www.gahannaschools.org/District/DistrictTechnology.aspx>). Please visit this area on a regular basis to keep yourself apprised of any changes.*

It is also important to understand that while the Board has taken available precautions to restrict and/or control student access to material on the Internet that is obscene, objectionable, inappropriate, and/or harmful to minors, it is impossible for the Board to completely prevent access to all objectionable and/or controversial materials that may be found on the Internet. If your child intentionally or unintentionally accesses objectionable material on the Internet or via any other district or personally owned technology, the Board and its employees, administrators, or officers, cannot be held responsible for materials encountered. It is the responsibility of the individual student to immediately move away from that content, and notify his or her teacher when appropriate. Parents shall accept responsibility for communicating their own parental guidance concerning the acceptable use of the Internet and other technologies both inside and outside the Gahanna-Jefferson Public Schools environment. It is critical that parents have these conversations with their children, because as with many other things involving minors there are situations in which parents may be held legally liable for the actions of their minor children.

Internet access provides our students with the ability to explore research materials and interact with individuals and groups worldwide. This *21<sup>st</sup> Century Skill* is a requirement for effective participation in an increasingly global environment and in local employment opportunities. However, not all Internet resources have educational value, and some may be inappropriate. While a best effort attempt is made to use Internet filtering to help students avoid resource-wasting and inappropriate sites, students are reminded that all district equipment is provided for educational purposes only. In situations where resource-wasting or inappropriate material is encountered, the user is “one click away” from removing that material from their screen and it is the user’s responsibility to do so.

Also, it is important to remember that the Internet and many other current and developing technologies are intended for collaboration and sharing, and as a result it is best to consider *everything* done with these technologies as public. Student Internet activity in particular may be tracked by outside parties, so it is critical that each student protects his or her network and other account information and passwords as they will be held responsible for activity through their personal and unique account. Students should never share this information with others, nor should they use the login credentials of others. Students are expected not only to avoid illegal use of district and personally owned technologies, but to in all cases use these tools intelligently and ethically, and not to the detriment of themselves, the district, or others. Not only is this a critical component of *21<sup>st</sup> Century Citizenship*, it is also important to remember that parents and guardians are legally responsible for their student’s activity so it is beneficial to stress these points and your expectations with your student.

District technologies are provided, and student technologies may be allowed, solely for the support of District academic programs and student learning. Examples of acceptable technology use include:

1. Appropriate collaboration and exchange of information for research and other project purposes;
2. Developing a familiarity with the technology for educational and employment purposes;
3. Expanding the opportunities for relevant technology use to produce reports, multimedia, and other assigned projects;
4. Developing *Graduate Profile* goals of becoming a *Responsible Community Member*, *Comprehensive Problem Solver*,

*Proficient Technology User, Collaborative Team Member, and an Effective Communicator.*

In exchange for the use of available technology resources, the undersigned student and parent/guardian understand and agree to the following terms and conditions.

- A. The use of technology, whether district-provided or student-owned, is a privilege which may be revoked by the District at any time and for any reason. Reasons for revoking privileges include, but are not limited to:
- a. Improper use of the technology,
  - b. Failure to properly protect and secure the technology,
  - c. Altering or modifying system software and/or hardware,
  - d. Intentionally or unintentionally adding viruses, spyware, and other harmful programs to District systems,
  - e. Placing unauthorized information or comments on District-owned or publicly accessible servers,
  - f. Using the technology to cause embarrassment or harm to other individuals or groups.

The District reserves the right to remove files, limit or deny technology access, and refer offending students for other disciplinary actions consistent with the Student Handbook.

- B. Students will not use their District-approved computer access to obtain, view, download, or otherwise gain access to materials deemed unlawful, obscene, pornographic, abusive, hateful, or otherwise objectionable.
- C. The District retains ownership of all District-provided technologies and any contents thereof. We reserve the right to remove any material which the District, at its sole discretion, believes to be questionable and/or is having a negative impact on District technology systems. Students are responsible for the protection of their own important files through regular backups of those files to USB or other available storage media. The District assumes no responsibility for lost files.
- D. Students are expected to be *Responsible Community Members* and to *use technology responsibly, honestly, and ethically*. Students **shall**:
- a. Polite, courteous, and respectful in your messages to others.
  - b. The use of language appropriate to school situations in all communications made through the Board's computers, networks, and other technologies.
  - c. Diligently delete their unneeded files regularly to minimize District storage needs.
  - d. Protect their critical files by making regular backups of their important work.

### **GUIDELINES FOR STUDENT DRESS**

All Gahanna-Jefferson Middle Schools have a concern for the health, safety, and general well-being of each student in establishing dress guidelines. Therefore, we reserve the right to restrict dress, accessories, and/or other aspects of appearance that are inconsistent with safety, good health practices, community norms, and are disruptive to the educational process – both during the regular school day as well as at all school-related activities. Enforcement of the dress code is the responsibility of the staff and the administration.

Students should govern their dress and grooming by maintaining reasonable standards of neatness and cleanliness. It is desired that these dress guidelines will assist students in making appropriate choices that serve as an indication of their pride in themselves and in their school. Attempts by students to call undue attention to themselves and/or to cause disruption of the educational process will not be permitted. It is hoped that the following dress guidelines will promote understanding and cooperation among students, parents, and the school.

#### **SCHOOL ATTENDANCE POLICY GUIDELINES**

Regular attendance is a most important factor in the establishment of a good scholastic record. Work missed through the absence from school is very difficult to make up. **There is NO SUBSTITUTE for actual participation in the daily classroom discussion and work.**

**Students are expected to be in homeroom by 8:40am. Classes are in session from 8:45 AM to 3:30 PM.** Students are not permitted in the building after 3:45 PM unless supervised by a member of the faculty. The building office hours are from 8:00 AM to 4:00 PM. Students are **NOT** permitted to enter the building until 8:30 AM unless they are involved in an approved activity. Students may not leave school between classes or before their last class without the permission of the office.

#### **1. Call-Ins/Notification of Absences**

Knowing where your sons and daughters are during the school day is very important to the school as well as you. The school and the parent/guardian need to work together to assure that we keep each other informed when students are not in school.

- a. The school is requesting that the parent/guardian make every effort to notify the school in **ALL** cases of student absence. Calls should be made to the school between the hours of 7:30AM and 9:30AM. The number to call is 614- 478-5550.
- b. It is desired that the parent/guardian notify the school in advance of an absence when possible. For example, a phone call or a note from a parent/guardian on Wednesday to notify the school of an absence on Friday would be greatly appreciated.
- c. If a student is absent, the school will attempt to contact the parent/guardian who has **NOT** notified the school. If no contact is made, an explanation from the parent/guardian will be necessary. **If the school does not receive an explanation of the absence within three (3) school days, the absence will automatically be considered unexcused.**
- d. Absences, late arrivals, and early dismissals will be calculated by minutes. Whether the absence from the time missed at school is considered excused or unexcused is dependent upon the reason given and to the discretion of the principal or his/her designee.

#### **1. Excusable Reasons for Absence**

An excused absence may be granted at the discretion of the principal or his/her designee. **A student will have a minimum of one school day for each day of excused absence to make up assignments.** An excused absence will

only be granted for the time missed at school for the following reasons:

- A. personal illness, other health-related appointments, or professional appointments (a written physician's statement verifying the illness may be required and will be required when a student is considered to be Excessively Absent or Habitually Truant)
- B. illness in the family necessitating the presence of the child (a written physician's statement and an explanation as to why the child's absence was necessary may be required)
- C. quarantine of the home (as determined by the proper health officials)
- D. death in the family necessary work at home due to absence or incapacity of parent(s)/guardian(s) (applicable only to a child over fourteen (14) years of age)
- E. observation or celebration of a bona fide religious holiday
- F. out-of-state travel to participate in a District-approved enrichment or extracurricular activity (up to a maximum of twenty-four (24) hours per school year)
- G. such good cause as may be acceptable to the Superintendent
- H. medically necessary leave for a pregnant student in accordance with Policy 5751
- I. service as a precinct officer at a primary, special, or general election in accordance with the program set forth in Policy 5725

**2. Needs Medical/Court Excuse (NMCE)**

When a student of compulsory school age is absent from school with or without legitimate excuse for thirty-eight (38) or more hours in one month, or sixty-five (65) or more hours in a school year the attendance officer shall notify the child's parent or guardian of the child's absences, in writing, within seven (7) school days after the date of the absence that triggered the notice requirement. This will require that the student have a doctor/dentist/court excuse for every absence in order for it to be excused. A student has three (3) days to provide a doctor, dentist, or court excuse. If the student does not have a doctor/dentist/court excuse, the absence will be unexcused. Students with a temperature of 100 degrees or higher or a communicable illness and have been sent home by the nurse will be excused by the school. An NMCE student who gets permission from his/her parent/guardian to go home from the clinic is unexcused.

**3. Tardiness**

Students late to school (after 8:45 AM) must report to the office to sign in before reporting to class. Parents/Guardians must provide an explanation for the tardiness. Excessive tardies that are unexcused will result in a disciplinary action by the office. **If the school does not receive an explanation of the tardiness within three (3) school days, the tardiness will automatically be considered unexcused.**

**4. Unexcused Absences, Tardies, Early Dismissal**

The determination of whether or not the time missed from school is excused or unexcused will be at the discretion of the principal or his/her designee. Excessive absences, tardies, and early dismissals that are unexcused will result in a disciplinary action by the office. Examples of unexcused absences, tardies, and early dismissals include, but are not limited to:

- a. Cutting classes or study halls
- b. Missing the bus or a ride
- c. Oversleeping
- d. Shopping
- e. Suspension
- f. Truancy
- g. Lice (It may be unexcused if the absence related to lice is excessive.)

**No student shall leave school grounds without permission of the principal or the assistant principal.**

**Habitually Truant**

A student will be considered habitually truant if the student is of compulsory school age and absent without a legitimate excuse for thirty (30) or more consecutive hours, for forty-two (42) or more hours in one (1) school month, or for seventy-two (72) or more hours in one (1) school year.

Legitimate excuses for the absence of a student who is otherwise habitually truant include but are not limited to:

- A. the student was enrolled in another school district;
- B. the student was excused from attendance in accordance with R.C. 3321.04; or
- C. the student has received an age and schooling certificate.

### **Absence Intervention Team**

To the extent required by law as determined on an annual basis, within ten (10) days of a student becoming habitually truant, the Principal shall assign the student to an absence intervention team.

Within fourteen (14) school days after the assignment of a student to an absence intervention team, the team shall develop an intervention plan for that student in an effort to reduce or eliminate further absences. Each intervention plan shall vary based on the individual needs of the student, but the plan shall state that the attendance officer shall file a complaint not later than sixty-one (61) days after the date the plan was implemented, if the child has refused to participate in, or failed to make satisfactory progress on, the intervention plan. Within seven (7) school days after the development of the plan, reasonable efforts shall be made to provide the student's parent/guardian/custodian, with written notice of the plan.

Each absence intervention team may vary based on the needs of each individual student but shall include a representative from the child's building, another representative from the child's building who knows the child, and the child's parent or parent's designee, or the child's guardian ad litem, or temporary custodian. The team also may include a school psychologist, counselor, social worker, or representative of a public or nonprofit agency designed to assist students and their families in reducing absences.

The members of the absence intervention team shall be selected within seven (7) school days of the student meeting the habitually truant threshold. Within the same period of seven (7) school days, the Principal shall make at least three meaningful, good faith attempts to secure the participation of the student's parent/guardian/custodian, guardian ad litem, or temporary custodian on that team. A good faith attempt to secure participation of the parent shall include, but not be limited to, contacting (or attempting to contact) the parent by telephone, email, or regular mail. If the student's parent responds to any of those attempts, but is unable to participate for any reason, the Principal shall inform the parent of the parent's right to appear by designee. If seven (7) school days elapse and the student's parent/guardian/custodian, guardian ad litem, or temporary custodian fails to respond to the attempts to secure participation, the attendance officer shall investigate whether the failure to respond triggers mandatory abuse or neglect reporting to the public children services agency; At the same time, the absence intervention team shall continue to develop an intervention plan for the child notwithstanding the absence of the child's parent/guardian/custodian, guardian ad litem, or temporary custodian.

### **Intervention Strategies**

In order to address the attendance practices of a student who is habitually truant, the intervention team may, as part of an intervention plan, take any of the following intervention actions:

- A. provide counseling to the student
- B. request or require the student's parent to attend a parental involvement program
- C. request or require a parent to attend a truancy prevention mediation program
- D. notify the Registrar of Motor Vehicles of the student's absences
- E. take appropriate legal action
- F. assignment to an alternative school (Note: If the District has established an alternative school, it must appear as an alternative intervention strategy.)

In the event that a student becomes habitually truant within twenty-one (21) school days prior to the last day of instruction of a school year, the Principal may, in his/her discretion, assign a school official to work with the child's parent/guardian/custodian, guardian ad litem, or temporary custodian to develop an absence intervention plan during the summer.

The absence intervention process shall commence upon the first day of instruction of the next school year.

5. **Returning to School after an Absence**

The first day a student returns to school from any and all absences, he/she must report to the office for an excuse form. All students should make arrangements to complete missed work. **A student will have a minimum of one school day for each day of absence to make up assignments.**

If a student misses more than one (1) day of school, homework may be requested by calling the office before 11:00 AM. Work will be sent to the office by 3:30 PM. It is the parent's/guardian's responsibility to make arrangements to have it picked up after this time.

6. **Steps for Absence by Permission**

Appointments with a doctor, dentist, court etc., should not be made during school time. In case this should be necessary, however, the parent/guardian of the student must contact the school prior to the student's first scheduled period. If the student is released, and it is learned that the excuse was **NOT** valid, the absence will be unexcused. Students leaving or returning to the school grounds during the school day **MUST** first report to the office. Failure to sign out may result in an unexcused absence.

7. **Family Travel**

Ohio has specific compulsory attendance regulations, and Gahanna-Jefferson Public Schools must comply with those statutes. Ohio Revised Code Section 3321.02 states, "every child actually resident in the state shall be amenable to the laws relating to compulsory education, and neither he nor the person in charge of him shall be excused from the operations of said sections or the penalties under them on the ground that the child's residency is seasonal, that the parent of the child is a resident of another state, or that the child has attended school for the legal period in another state."

Whenever a pre-planned absence for family travel is requested, the parent/guardian must discuss it with the principal. The length of absence should be made clear, and those involved should have an opportunity to express their views on the potential effects of the absence.

The District will only approve a student's absence for family travel when he/she will be in the company of his/her own parent/guardian or other family members but no other student's parent(s)/guardian(s), unless there are extenuating circumstances deemed appropriate by the principal. In order for the family travel to be an excused absence, it must not exceed six and a half (6.5) days in a month or eleven (11) days in a year.

If a student is absent for family travel outside of excused absences allowed by the District, he/she will be considered unexcused from school and subject to the laws regarding habitual truancy. The school district may be obligated to report the parent/guardian to the Franklin County Juvenile Court System and file charges of lack of compliance with the compulsory education rules. During this time period, the student may be given approximate assignments to be completed. The time missed will be counted as an authorized, unexcused absence but shall not be a factor in determining grades unless the make-up work is not completed.

In the event that the student knows in advance that he/she will be absent (e.g. family travel) for several days, the parent/guardian should send a note to the office a week in advance. The student will be given a "**Planned Absence Form.**" This form must be returned to the office before the planned absence begins. All make-up work is due on the first day the student returns from the planned absence. This work includes any tests that the student may have missed during his/her planned absence. **We strongly discourage any planned absences during the last week of any grading period or during statewide testing.**

8. **Planned Absence (e.g. family travel, college visit, etc)**

9. **Absence on Extra-Curricular Days**

Students who are absent from school a half day or longer may not be permitted to participate in any extracurricular activity on that day.

**GAHANNA MIDDLE SCHOOL EAST**  
**LIBRARY/MEDIA CENTER**

**Library Information Center (LIC)**

It is the policy of Gahanna Middle School East (GMSE) LIC to provide students with the knowledge to use the LIC and to learn how to access a variety of information services and items that will enable them to use both our facility and others elsewhere. The GMSE Library Information Center is an extension of the classroom. The LIC provides an area for both teacher directed activities and independent research and study. All students are encouraged to become familiar with the LIC and its services.

**On-Line Services**

All students have access to the GMSE On-Line Catalog in both their classrooms and from home. The catalog may be accessed from home by going to the InfoOhio website at [www.infohio.org](http://www.infohio.org). Scroll to the bottom of the page and click on "Find Your Library Catalog." Then click on "Gahanna-Jefferson City" and find GMSE. You will then be able to access CAT and CAT Jr. The catalog may be accessed from home by going to the INFOhio web site, [MACROBUTTON HtmlResAnchor www.infohio.org](http://MACROBUTTON HtmlResAnchor www.infohio.org), and choosing MEC and then choosing Gahanna Middle School East.

**Circulation Policies and Overdue Procedures**

Books may be checked out for three (3) weeks. Books may be renewed as many times as needed until a reserve is placed on the book. Books may be reserved through the library staff. No overdue fees are charged, but students are responsible for returning materials on time. Damaged or lost materials must be paid for in order for the students to receive their Grade Cards. Students will be charged the current replacement cost for lost books. Students with overdue or lost library materials will not be permitted to check out more materials until previous commitments are resolved.

**LIC Rules**

The LIC is to be used for research, independent reading, and librarian/teacher directed activities. Homework is to be done in study hall. All school rules will be enforced in the library. A verbal warning will be given and continued infractions will result in the student's removal.

**Internet Access and Computer Use**

All Internet searches **must** be related to school work. Students may not "surf" the Web. Students may not change the settings or the desktop of the computers. Failure to comply will result in students forfeiting the right to use the computers.

**GENERAL INFORMATION FOR THE GAHANNA-JEFFERSON MIDDLE SCHOOLS**

1. **Access to Equal Educational Opportunity**

These guidelines shall be used to ensure that the Board of Education's policy on nondiscrimination (2260) is implemented properly and in compliance with federal and state laws and regulations, particularly part 104 of Section 504 of the Rehabilitation Act of 1973 (34CFR). A copy of Part 104 is provided as AG 2260A.

Notice of the Board's policy on nondiscrimination in educational practices shall be posted throughout the District, published in any District statement regarding the availability of educational services, and in all student handbooks.

Children who have been diagnosed as having a disability and who, through a multifactor evaluation, qualify for categorical service under IDEA will be served under the existing State Special Educational regulations. Section 504 protects and

safeguards all students with a mental or physical impairment which is defined as substantially limiting one (1) or more major life activities or:

- A. The student has a record of such impairment.
- B. The student is regarded as having such impairment.

The district will identify, evaluate, and provide an appropriate education for students who are disabled under Section 504.

## **2. Bus Rules/Bike Riders/Walkers**

The bus driver has the responsibility and authority similar to that of a teacher. He/She may assign seats, establish reasonable rules to maintain order, and must obey certain standards of the State in regard to bus procedures. Pupils who fail to follow regulations are subject to losing their transportation privileges. ## **3. Cafeteria Guidelines/Closed Lunch Period**

The Gahanna-Jefferson Middle Schools operate under a closed lunch period. This means that no student may leave the school grounds without obtaining permission. The parking lots are out-of-bounds to students at lunchtime.

Each student is expected to practice the general rules of good manners that one usually finds in the home. To make lunch period pleasant and relaxing for all, students are asked to do the following:

- a. Observe good standards of table manners while eating.
- b. Students will be dismissed by tables after they have cleaned their area.
- c. Leave the table and area clean and orderly. Do not drop food, wrappers, containers, etc., on the floors.
- d. Take all **trash and the tray** to the soiled-dish return window.
- e. Do not leave the cafeteria while eating or carrying food.
- f. A student may not leave the cafeteria area without permission.
- g. Failure to follow these rules will result in detentions, in-school restrictions, or Saturday sessions.

## **4. Clinic and Medications**

A part-time Registered Nurse is assigned to each elementary and middle school. There are also clinic aids available during school hours to take care of ill children, minor injuries and administration of specific medications.

If your child is complaining of being sick in the morning, please take their temperature before sending them to school. If the child is vomiting or has a temperature of 100 degree F or greater, the child must stay home from school until they are fever-free (without the use of medicine, such as Tylenol or Ibuprofen) for 24 hours.

We strongly urge that all medications be administered at home whenever possible. If a prescription medication needs to be given, please consult the prescribing physician or dentist to ascertain if the medication can be administered at times when your child is at home. We will only administer prescription medication at school if the physician feels it is absolutely necessary. Non-prescription (over-the-counter) medications require completion of the parent authorization form. ALL medications must be delivered to the school clinic by an adult in the original container.

Proper forms must be completed for any medication (prescription or non-prescription). Forms are available in the school office or online at: [www.gahannaschools.org](http://www.gahannaschools.org) under School Nurse Services quick link and then under Health Forms. Gahanna-Jefferson students with a communicable disease are excluded from school in accordance with the recommendations from the Ohio Department of Health. The Ohio Department of Health Communicable Disease Chart can be viewed on-line at: <http://www.odjfs.state.oh.us/forms/file.asp?id=1730&type=application/pdf>. For questions or clarifications, please contact the school nurse.

It is essential that when the first signal is given, everyone obeys promptly and clears the building by the prescribed route given by the classroom teacher. Students are **NOT** permitted to talk during a fire drill and are to remain outside the building until a signal is given to return inside.

**Tornado drills** are announced over the P.A. system. Students will exit from rooms and move to their designated safe areas. No person is to be within 20 feet of the outside exit doors. Students are to remain quiet and in their designated safe areas until authorized to return to their classes. If a parent comes to pick up his/her child, the child will be released, but no other students are to be released from the school with them.

**Lockdown drills** will be practiced periodically throughout the school year. Each child will be instructed on what to do in case of an emergency.

Cell phones, iPods, electronic games, etc. should not be brought to school unless they are needed for an approved project. Electronic communication devices are not permitted to be used during the regular school day except for recess, or when approved by a classroom teacher. The school district is not responsible for lost, stolen, or damaged personal belongings. A student who brings a cell phone or electronic device to school is consenting to allowing the phone's data to be searched as long as the search is tied to a specific violation.

## 8. Food and Drink

Students must have permission from the instructor in order to bring food and/or drink into the classroom.

## 9. Guidance Services

Each middle school has one counselor per building. School counselors provide help for students with academic, social, and emotional needs. In addition, each school counselor is involved in testing, scheduling, and initial enrollment of students.

## 10. Hallway Courtesy

Students should only be in the halls during the exchange of classes. They need to be courteous by keeping to the right and moving quickly and quietly. Students should also stay to the right when passing through the double doors. Running in the halls is not permitted at any time. Students are to keep appropriate distance between each other and not display any other physical affection (including kissing) on the school campus.

Any travel in the halls during class or study periods will require a pass from a teacher. Students need to travel directly to their destination and return. Any student without a properly signed pass will not be permitted to continue. Students must be aware of other classrooms in session as they move around during the school day and maintain a certain degree of quiet and orderliness.

## 11. Honor Roll

Parents/guardians are invited and encouraged to review reading materials available in their child's classroom prior to such materials being read. Any parent/guardian wishing to do so should contact the classroom teacher to schedule an appointment. Books may be checked out on a short-term basis providing sufficient copies are available for student use.

Students are responsible for promptly reporting problems with lockers to the main office.**

In fact, keeping an item found is very close to being as dishonest as stealing! Pupils losing items should check more than once or twice at the office in attempting to find a lost item. Lost and found containers are located in the cafeteria and gym locker rooms. Unclaimed items will be given to a charitable organization.

## 15. Pesticide Application on School Property

Pesticides may periodically be applied to school property. Parents have the right to request prior notification of pesticide applications on school property. ## Procedure for Meal Charges

It is the responsibility of parents to provide lunch for their children while at school. It is important that children receive the nutrition they need to stay focused and learn during the school day. The Gahanna-Jefferson Child Nutrition Department's goal is to provide healthy meals to students and support its self-funded account.

Unpaid meal charges place a financial strain on the Child Nutrition Department. While we intend to feed all students needing lunch, treat the students with respect regarding charging of meals, it remains the parents' responsibility to provide payment or pack lunches.

Several programs are in place to assist families:

- Parents may submit Free/Reduced-Price Meal Applications by hard copy or online at any time during the year as they are processed daily
- Parents may prepay for meals by cash or check made payable to the school cafeteria or online by credit/check card
- Parents may visit [www.mypaymentsplus.com](http://www.mypaymentsplus.com) and register for a free account to view student's account balances, purchase history, online payments, as well as set up notifications for low balances, auto pay features, and make payments online
- Parents may call the Child Nutrition office at **614-478-5531** for student account balance
- The Child Nutrition office notifies parents weekly via email of their child(ren)'s negative balance and will repeat until the lunch debt is paid
- The Child Nutrition office will attempt to reach parents by phone **after the limit of 4 meals** (breakfast and/or plate lunches) have been charged
- Students may inquire about their balance with the cashier. Cashiers also remind the students "to tell someone at home that you need lunch money"
- Parents may contact the Child Nutrition office to limit purchases, ex. "Plate Lunch only" by calling Beverly Fansler at 614-478-5531 or submit the Food Allergies and Restriction Form
- Charging of snacks, beverages, or second meals are never allowed. These a la carte purchases must be paid with cash or with funds in the student's account.
- In the event a student has reached his/her charge limit, has no packed lunch, and no funds in hand, a ONE time Emergency Meal (Plate Lunch or Breakfast) will be provided. The Child Nutrition office will email or call the parent to inform them that their student's account is in crisis
- Once the charge limit has been reached and not paid, an alternative meal will be offered
- An alternative meal is a cheese sandwich and a fruit or vegetable of the day during lunch, and a fruit/grain bar for breakfast

**Please note: During the last 2 weeks of school** students may not charge meals. They must have cash, check, or funds on their account to purchase breakfast or lunch. Remaining positive balances will transfer to the next school year.

Special circumstances may be discussed with the Child Nutrition Supervisor, Linda Green at 614-478-5535 or [GREENL@GPS.ORG](mailto:GREENL@GPS.ORG)

## Health & Wellness

GJPS Wellness Committee meets 4 times a year to collaborate with parents, teachers, school administrators, students, school health professionals, and community members to further our culture of wellness. The Wellness Committee is dedicated to improving the health of students through increasing physical activity and nutrition education. The Committee welcomes new members and publishes a newsletter periodically.

### Physical Education

A comprehensive physical education program is provided for students in K-12 with the academic content standards adopted by the State. The PE curriculum provides students with opportunities to learn and practice skills necessary to engage in lifelong, health-enhancing physical activity.

### Nutrition

School Meals – the Food Service/Child Nutrition program will provide all students affordable access to varied and nutritious food based on the current Dietary Guidelines for Americans, USDA meal patterns, and Smart Snacks in Schools. Students are discouraged from sharing food with one another during meal times due to allergies, and other dietary restrictions.

### Nutrition Education & Promotion

Nutrition promotion and education positively influences lifelong eating behaviors by using evidence-based techniques, nutrition messages, and by creating food environments that encourage healthy nutrition choices and encourage participation in school meal programs.

### Fundraising

Activity-based fundraisers are wonderful such as field days, walk/run/bike/dance a thons, and jump rope or hula hoop competitions. Other non-food fundraisers that work well are talent shows, yard sales, festivals, singing telegrams, and art shows.

Only foods and beverages that meet or exceed the USDA Smart Snacks in Schools nutrition standards may be sold to students on school grounds during the school day (midnight until 30 minutes after the instructional day).
