

**What is
GMSS
Renaissance?**

What is Renaissance?

- Renaissance is a way to recognize students each quarter for their grade point average (GPA), behavior and attendance.
- Students are classified as Platinum, Gold, Silver, Blue, High Five and VIP card holders.
- The Renaissance Leadership team is made up of a small group of 6th, 7th and 8th graders.

What is The Renaissance Leadership Team?

- The Renaissance Leadership Team is a team that promotes kindness around the school, along with good grades, and being role models. This team also arranges Renaissance Rallies and other GMSS activities. The Renaissance Leadership Team also stickers your Student ID cards. This team is co-ed and is a group of about 25 GMSS students (6th, 7th, 8th), and a handful of dedicated teachers. These students and adults make up the team of strong leaders.
- If you don't make the team the first year—try out the following year!

How do I know if I have achieved Renaissance status ?

- Each quarter the Renaissance Teacher Team will determine who qualifies based on their grades, behavior and attendance.
- Your homeroom teachers will announce this once the lists are made.
- There is also a Renaissance board where we will also post this information. The board is located right outside the lunch room.

VIP	Teachers permit students to be in Renaissance				(this is also in your planner page # 16)

Platinum Status

- You have the ability to achieve Platinum status if you have a 4.0 grade point average AND complete 4 hours of community service.
- Community service forms are also located on the Renaissance board outside of the lunch room.
- Once you have this form completed you must turn it in to the office or Mrs. Baldwin.

VIP Status

- Each quarter teachers are allowed to nominate students to be a part of renaissance. These students may have had a difficult time achieving the grade point average, but are **EXTREMELY** hard working and dedicated to being a good student.

Each Quarter is a New Quarter!

- For example—During the first quarter you might have achieved a Silver status.
- Second quarter you decided to work even harder and you achieved a 4.0 and had no behavior or attendance issues—so now you have achieved GOLD card status!
