AND TO SUBMIT THE QUESTION OF THE SAME TO THE ELECTORS**

WHEREAS, the Board has determined that it is necessary to finance the construction and acquisition of certain improvements to the School District’s facilities; and

WHEREAS, it is necessary for the School District to levy additional taxes in excess of the ten-mill limitation for a continuing period of time to both (i) provide funds for the acquisition, construction, enlargement, renovation, and financing of permanent improvements and (ii) pay current operating expenses; and

WHEREAS, a resolution declaring the necessity of levying an additional tax outside the ten-mill limitation must be passed and certified to the County Auditor of Franklin County, Ohio (the “County Auditor”) in order to permit the Board to consider the levy of such a tax, and must request that the County Auditor certify to the Board the total current tax valuation of the School District and the dollar amount of revenue that would be generated by the tax;

NOW, THEREFORE, BE IT RESOLVED by the Board of Education of the Gahanna-Jefferson City School District, Franklin County, Ohio, two-thirds of all of the members thereof concurring, that:

It is necessary for the purpose of constructing school facilities, including a new high school, and renovating, repairing, improving, and constructing improvements and additions to existing school facilities, buildings, and infrastructure, including additional classroom and learning space capacity to accommodate student population growth; furnishing and equipping the same; improving the sites thereof; and acquiring land and interests in land, to issue and sell bonds of the School District in the amount of \$205,665,000 (the "Bonds"). It is further necessary that there shall be annually levied on all the taxable property in the entire territory of the School District a direct tax outside of the ten-mill limitation to pay the debt charges on the Bonds and any securities that the Board may determine to issue in anticipation thereof. The Bonds shall be dated approximately December 1, 2020; shall bear interest at the estimated rate of 2.50% per annum; and shall be paid over a period not to exceed 37 years, as calculated under Ohio Revised Code Chapter 133.

The annual rate of the Combined Levy shall be apportioned as follows:

- (a) 1.50 mills shall be apportioned to provide funds for the acquisition, construction, enlargement, renovation, and financing of permanent improvements; and
- (b) 4.26 mills shall be apportioned to pay current operating expenses.

The Combined Levy shall be placed upon the tax list and duplicate for the current tax year (commencing in 2020, first due in calendar year 2021) if a majority of the electors voting thereon vote in favor thereof.

The Treasurer of this Board is authorized and directed to certify a copy of this resolution to the County Auditor with instructions for the County Auditor to certify to the Board: (a) the total current tax valuation of the School District and the estimated average annual property tax levy, expressed in mills for each one dollar of valuation as well as in cents for each one hundred dollars of tax valuation, that will be required to pay debt charges on the Bonds throughout the maturity of the Bonds, and (b) the total current tax valuation of the School District and the estimated property tax revenue that will be produced by the Combined Levy
