

Summer School High School Class Descriptions – 2021
(Physical Education, Health, Speech – new credit)
(English, Math, Social Studies, Science - make-up credit)

For 2021, summer school classes are only available to Gahanna-Jefferson students

GENERAL INFORMATION:

Daily attendance is important. Each school day is equal to approximately one week of class during the regular school year. Courses in summer school follow the regular graded courses of study as approved by the Gahanna-Jefferson Board of Education. Classes have time requirements imposed by the Ohio Department of Education. All students must complete the 60 hours of classroom instruction. Students are expected to be able to attend all days of class. If an emergency or illness arises that means a student will miss one day of class, the student will work with the teacher to make up the time.

Please do not enroll in summer school if vacations, camps, sports, or other commitments will conflict with attendance in summer school. Students will **NOT** be released early from class to attend sports camps, retreats, tournaments, or competitions. This is considered an UNEXCUSED activity. State law requires a minimum mandatory attendance.

Students withdrawn due to excessive attendance problems or for disciplinary reasons will not receive credit for the class and will not receive a refund (where applicable).

Enrollment in all classes is limited. Registrations will be accepted in the order in which they are received.

All classes must meet a minimum enrollment in order to be offered.

Social distancing will be practiced in all classes. Face masks will be required.

All in-person classes will be held at Lincoln High School.

For the afternoon on-line classes, students must be available for the entire class time.

For 2021, summer **make-up** classes are offered at no charge. There is a fee for new credit classes **regardless of whether or not the student qualifies for free/reduced lunch.**

For financial reasons, a federal food service program is not available during the summer.

PHYSICAL EDUCATION (Lifetime Sports and Activities) – FOR NEW OR MAKE-UP CREDIT. (Grades 9-12). (1/4 credit). June 1-18, 7:45- am-12:00 pm. FEE: \$245. This class is open only to Gahanna-Jefferson students.

The major objectives of the course are the physical development of a strong, healthy body and the development of skills and concepts in “lifetime” sports and fitness. Each student will explore a variety of fitness-based activities and will be introduced to a variety of non-traditional lifetime sports and fitness concepts.

The final deadline to register for physical education is Wednesday, May 26, if space is still available.

HEALTH – FOR NEW CREDIT ONLY. (Grades 10-12). (1/2 credit). June 1-18, 7:45 am-12:00 pm. Fee: \$245. This class is open only to Gahanna-Jefferson students.

Do you want to take a class that deals with **REAL** teen issues? Health is a fun, relevant and practical semester course in which students will learn essential health concepts and practice essential skills necessary to adopt, practice, and maintain health-enhancing behaviors. Topics covered include Mental Health & Wellness, Alcohol & Drugs, Diseases, Human Sexuality & Healthy Relationships and Nutrition.

This summer school course will meet the ½ credit graduation requirement for Health, is limited to 20 students, and will be scheduled on a first request basis. **Interested students will need to commit to the following:**

- Have internet access outside of class and check the “Google Classroom” for information daily.
- Spend time to complete **daily** homework outside of class. Each day of class equals over one week of the regular school year, so there will be daily assignments to complete at home.

Given the fact that the Health class offered during the summer **is scheduled to meet at least 4 hours each day, students must attend all classes in order to earn credit in the course.** In the event a student has a need for an excused absence(s), he/she will need to arrange make-up time with the teacher.

FINAL DEADLINE for Health class registration is Thursday, May 27th, if space is still available.

SPEECH (for new credit only). Grades 9-12. (½ credit). June 1-14 OR June 15-28, 12:00-5:00 pm. Fee: \$245. This class is open only to Gahanna-Jefferson students.

Speech is a required semester class usually taken freshman or sophomore year of high school.

Topics and assignments will include: Introduction Speech, Demonstration Speech, Special Person Speech, Career Speech, Parliamentary Procedure, Oral Interpretation, Group Discussion, Sales Pitch, Persuasion Speech, Job Interview/Resume, Final Speech, and a few tests on the content.

This **rigorous and relevant** summer school course will meet the ½ credit graduation requirement for Speech, **is limited to 15 students**, and will be scheduled on a first request basis. Interested students will need to commit to the following:

- The Speech teacher will reach out to all registered Speech students via email once the final class rosters are complete. The teacher will send a list of requirements that need to be completed by the start of the first day of class. This includes needing to select a Persuasion and Final Speech topic of the students’ choice and needing to do some preliminary research before the first day of class. These assignments all count towards the hours needed to pass a summer school class. There will be some homework each night, which will include outlines and practicing presentations.

Given the fact that speech class offered during the summer **is scheduled to meet at least 4 hours each day, students must attend all classes in order to earn credit in the course.** In the event a student has need for an excused absence, he will need to arrange make-up time with the teacher.

FINAL DEADLINE for Speech class registration is Friday, May 14th, if space is still available.
