Grades: K-2

Dates: June 21 - 25

Time: 1:00PM - 3:30PM

Location: Chapelfield Elementary

This camp is all about training to be your favorite superhero! To be a superhero means having strength, agility, balance, and speed. We focus on learning special superhero training skills through fun games and activities.

JumpBunch Ultimate Ninja Obstacle Course Camp

[Register Here](#)

Grades: 3-5

Dates: June 28 - July 2

Time: 1:00PM - 3:30PM

Location: Chapelfield Elementary

Come test your physical skills at our Ultimate Obstacle Course camp! Kids learn to push their limits as our coaches walk them through several different fitness activities and teach proper techniques that will prepare them to tackle several challenging obstacle courses.

Journaling Club

[Register Here](#)

Grades: 4-6

Dates: June 15, June 17, June 22, June 24

Time: 12:30PM - 3:30PM

Location: Chapelfield Elementary

Journaling provides a way for students to develop social emotional skills in a fun, creative way. This mini-camp will introduce students to art-journaling through the use of traditional art and drawing supplies as well as recycled and found materials. They will be engaged in confidence building games as they learn new journaling techniques they can continue to use throughout the school year.

COSI STEM Week @ GJPS

[Register Here](#)

Grades: 3-5

Dates: June 28 - July 2

Time: 1:00PM - 3:00PM

Location: Chapelfield Elementary

Join us for a week's worth of space-themed STEM activities and science experiments featuring COSI Connect kits!

The Business of Social Impact

[Register Here](#)

Grades: 7-12

Dates: June 16 - 18

Time: 9:00AM - 12:00PM

Location: Lincoln High School

During this three-day camp, students will learn about how businesses make a social impact in their community. Students learn about the ways the JA BizTown sponsors help communities through philanthropy and service, and citizens will work independently and collaboratively to develop their own business plan to create a summer business that can positively impact their community. We will also explore the ways in which the entrepreneurship of social impact can enhance future college, scholarship, and job applications.
