

GLHS Parking Pass Process

Dear Parents and Students:

In the 2020-2021 school year we will be assigning parking spaces based on the student's grade level and the timestamp (first come, first assigned) of applications successfully completed. Student parking pass priorities are Seniors, then Juniors, and if passes remain, others. The parking application is available on-line at gahannaschools.org. The parking fee is \$30.

- To pick up your parking permit at registration a student must:
 1. Pay the \$30 parking pass fee. (online or at registration)
 2. Pay all outstanding fees.
 3. Pay all prior parking fines.

- Students must have a copy of the Parking Policy Agreement, emailed to you and also found on the high school website, signed by guardian and student.
- Students must be in possession of their permanent license by Friday, October 30th, 2020 and must have paid all fines and fees by Thursday, October 8, 2020 to receive a parking permit.
- Successfully completed applications will be confirmed via listings posted on the attendance office window through Friday April 3rd, 2020.
- Those students who applied within the deadline, but were not assigned a space, will be placed on a waitlist. These students will be offered spaces as they become available.
